Your Entry Fee & Pledges will help PetPromise:

- rescue stray animals from the streets and from animal shelters where they are on death row and often minutes away from being euthanized
- work to build a no-kill sanctuary where rescued pets can be safely sheltered until we can find them adoptive homes
- provide medical care to neglected abused and injured animals
- rehabilitate hard-to-adopt animals and find them loving homes
- provide spay/neuter services for feral cats, and assist pet owners in financial need, in order to drastically reduce the number of unwanted animals
- provide food, medical care, and other assistance to pet owners in financial need, who may otherwise surrender their pets to shelters
- educate children and adults in our community on the seriousness of the pet overpopulation problem and on responsible pet guardianship

WHY WE DO WHAT WE DO

12 million animals are euthanized each year in the United States. That is 1 million a month, 1,388 animals an hour... PetPromise is working tirelessly to decrease this statistic.
